**Note:** This quote is not a formal offer of health insurance

\* **Premiums:** The premiums shown are based on Accuro's standard premiums and include Goods and Service Tax of 15%. All premiums are in New Zealand dollars. Premiums automatically increase each year with increasing age. Premiums are not guaranteed and can be adjusted for new and existing policies.

**Children(s) rates:** You only pay premiums for the first two children on your plan, and they will remain on child rates up to age 25 years. On reaching age 25, the premium payable will be adjusted from a child rate to that of a 25-year-old adult and they will remain on your policy unless you request their removal.

**Disclaimer:** This quote is valid for 30 days from the quote date shown above and is subject to following:

- What you have told us is complete, true and correct, and
- There have been no changes to what you have told us.

If any information is not correct or there has been a change that may impact on the premium provided after the quote date, please contact us for an update.

**14-day free-look period:** It is important that you have time to carefully review the plan you have selected and confirm that it meets your individual needs. Accuro provides you with 14-day free-look period that commences from the date on the membership certificate issued by us.
