Hi Kewin,

**Thanks for choosing Fidelity Life.
Welcome to our family.**

Since we were founded in 1973, we've grown to become New Zealand's largest locally owned life insurer. We've paid out more than \$1.1. billion in claims and we were named the ANZIIF Life Insurance Company of the Year for 2017, 2018 and 2019. Now we're looking forward to looking after you.

This welcome pack takes you through your Fidelity Life policy. Give it a good read. It's important that you're happy with your cover, so please check all the details are correct and that the cover stated is the same as agreed with your adviser. If all is OK, simply pop your welcome pack somewhere safe in case you need it later.

Anything else we need to know?

It's important to let us know anything that could affect your insurance. If you're unsure what you told us feel free to request a copy of your application form. It's also important to let us know if there are any changes to your health and/or occupation between the date of signing the application and the start date of your policy.

Any questions? We're here to help

How much are your payments?

Your fortnightly payments will be \$ 26.93 with the first payment due on 29 June 2022. As you pay by direct debit we've set this up, so you don't need to do anything other than relax and know you're covered.

Changed your mind?

No problem – you've got 14 days from the date of this email to review your policy, and if you change your mind during this time we'll refund any overpayment. For help, just contact your adviser, or email our friendly Customer care team on customerservice@fidelitylife.co.nz or call 0800 88 22 88.
